

## Perth & Kinross Health & Social Care Partnership – Integrated Management Structure

Update

November 2018

### Appointment of Allied Health Professions (AHP) Lead

Perth & Kinross Health & Social Care Partnership are pleased to announce that Angie McManus has been appointed to the post of AHP Lead for Perth & Kinross. Angie will fully take up post from the beginning of January 2019

Angie has worked in the NHS as a physiotherapist since 1987, after qualifying in Yorkshire. She came to NHS Tayside in 1999 where she was employed as a physiotherapist working in the field of learning disabilities (Perth & Kinross). She has since worked in many managerial leadership roles in NHST; she was the joint Physiotherapy Services Manager for Learning Disability & Mental Health Services (Tayside) and she was the Learning Disabilities Services Manager in Perth & Kinross from 2007 until moving into her current Clinical & Professional Team Manager role in September 2018. Angie has also had the great opportunity to have worked for the AHP Directorate, on an interim basis, for 25 months as the Interim AHP Lead for LD/MH and for the past 18 months she was also the Interim Mental Health Services Manager for Perth & Kinross HSCP.

She is passionate about all things LD; she represents learning disability physiotherapy at National and UK fora. She is equally passionate about all things AHP and is very much looking forward to taking the opportunity to support AHPs Professionally in the role of the AHP Lead for Perth & Kinross

## **Appointment of Interim Service Manager for Inpatient Medicine for the Elderly(MFTE)/Stroke Unit, Psychiatry of Old Age, Intermediate Care**

Perth & Kinross Health & Social Care Partnership are also pleased to announce that Caitlin Charlton has been appointed to the post of Interim Service Manager for Inpatient MFTE/Stoke Unit, Psychiatry of Old Age & Intermediate Care.

Caitlin commenced her post on 23 October 2018. This post covers MFTE , Stroke Unit, Psychiatry of Old Age and Intermediate care. She will be working alongside the locality managers and the clinical and operational management teams within Perth Royal Infirmary developing services to meet the needs of Perth and Kinross who require both hospital inpatient and intermediate care.

Caitlin has been a nurse for 26 years and comes from a background within Midwifery, Public Health and latterly Medicine for the Elderly. Her experience has included community hospitals and MIIU having been the Senior Charge Nurse in Pitlochry Community Hospital when she first joined NHS Tayside in 2009. Caitlin was the Clinical and Professional Team Manager for Inpatients before commencing this post.
